The institutions behind your learning

A partnership that connects university-led academics with practical, industry-oriented skill development.

ABOUT MEDHAVI SKILLS UNIVERSITY (MSU)	ABOUT KCEF PULWAMA
Medhavi Skills University, Sikkim, is a skills-focused state university established under the Medhavi Skills University, Sikkim Act, 2021. The University is included in the UGC list of universities established under Section 2(f) of the UGC Act. Its stated approach brings together higher education, competency-based learning and industry engagement, with an emphasis on practical learning and employability.	Kashmir Creative Educational Foundation (KCEF) is the local Industry Skilling Partner for this programme. In this role, KCEF facilitates the practical and skill-training component and supports coordination with relevant industry settings for on-the-job training (OJT), as per the MSU partnership framework.

How the partnership works

MEDHAVI SKILLS UNIVERSITY	KCEF — INDUSTRY SKILLING PARTNER
Formal student enrolment, academic framework, structured assessments and learning support through the University's systems.	Facilitates practical and experiential skill training and supports industry/OJT coordination.
UNIVERSITY AWARD	**INDUSTRY EXPOSURE**
Students are formally enrolled under MSU; the degree is awarded by Medhavi Skills University, subject to successful completion of the approved programme requirements.	Practical learning and OJT opportunities depend on the approved programme plan and arrangements with industry partners.

For parents: KCEF is identified as the Industry Skilling Partner. The university-level academic and degree-awarding role belongs to Medhavi Skills University; KCEF does not independently award the B.Voc degree.

What will you learn?

The programme is intended to develop the knowledge, service mindset and practical capabilities needed in hospitality and hotel operations. The final module list and credit structure will follow the MSU-approved curriculum.

FRONT OFFICE OPERATIONS	Guest reception, reservations, check-in/check-out processes, guest communication and service coordination.
FOOD PRODUCTION	Kitchen fundamentals, food preparation practices, hygiene, kitchen workflow and culinary operations.
FOOD & BEVERAGE SERVICE	Restaurant service, table setting, service etiquette, order handling and guest experience.
HOUSEKEEPING OPERATIONS	Room preparation, cleaning standards, linen handling, maintenance coordination and quality checks.
HOSPITALITY MANAGEMENT	Customer service, teamwork, communication, professional conduct and day-to-day operations.

Training and industry exposure

KCEF’s Industry Skilling Partner role includes facilitating practical training and supporting industry connections for OJT. The programme’s exact training schedule and OJT arrangements will be communicated to enrolled students in line with MSU’s approved plan.

ZAZNAR RETREATS **Nishat**	**COMRADE INN** **Rajbagh, Srinagar**

Training / placement partner names are shown as supplied by KCEF. Specific internship, OJT, placement availability and selection are subject to written arrangements, partner requirements and student performance; no job or placement is guaranteed.

Programme information

Duration As per the MSU-approved curriculum for this programme.	Curriculum University-approved programme structure and requirements apply.

A pathway into the world of hospitality

Hospitality is a people-focused field spanning accommodation, food service, travel, events and guest experience. The programme is designed to help learners build transferable service and operational skills.

Potential career areas

Hotels & Resorts	Front office, guest relations, reservations and hotel operations.
Restaurants & Catering	Food and beverage service, kitchen operations and service coordination.
Travel & Tourism	Guest services, travel operations and hospitality support roles.
Events & Banquets	Event operations, banquet service and guest coordination.
Entrepreneurship	A foundation for exploring food-service or hospitality ventures with further experience.

Questions parents often ask

Who awards the degree?	Medhavi Skills University awards the degree to students formally enrolled under MSU who successfully meet the approved programme requirements.
What does KCEF do?	KCEF acts as the Industry Skilling Partner, facilitating practical skill training and supporting industry/OJT coordination.
Are jobs guaranteed?	No. The programme may support industry exposure and career preparation, but employment depends on vacancies, employer selection and individual performance.
What are the fees and admission dates?	Please contact KCEF for the current approved fee schedule, admission dates and any applicable payment instructions.
